## CACFP INFANT FEEDING PREFERENCE

Dear Parent/Guardian,

This child care provider participates in the Child and Adult Care Food Program (CACFP) and receives USDA reimbursement for serving nutritious meals to infants according to program requirements. Participation in this program requires child care providers to follow specific meal patterns according to the age of the infant.

If your child is exclusively breastfed, child care providers participating in the CACFP can feed your infant the breast milk you supply and meet the meal pattern requirements. Breastfeeding is widely recognized as the best source of nutrition for infants.

The Institute of Medicine and the American Academy of Pediatrics recommends that adults/caregivers, who work with infants and their families, promote and support exclusive breastfeeding for the first six months and continuation of breastfeeding in conjunction with complementary foods for 1 year or more, and the Texas Department of Agriculture (TDA) encourages child care providers to dedicate a space for mothers to breast feed their infants on site.

Child care providers participating in the CACFP **are required** to offer at least one infant formula for infants who are enrolled for child care. You may decline the infant formula offered, and supply breast milk and/or your own preferred infant formula.

Additionally, when you determine in consultation with your physician that your child is developmentally ready, the child care provider will also be **required** to offer infant cereal and other foods. As with infant formula, you can decline the infant cereal and other foods offered and provide those items to your child care provider. It is important to note that your child care provider will not receive reimbursement for meals that contain more than one parent provided component. Speak to your child care provider to understand what components are required for your infant's meal and the exceptions made for infants with disabilities, so that your infant receives the most nutritious meal possible.

**It is very important that you indicate your preferences on the form that follows so we can honor the nutrition choices you have made for your family.** Please complete the information below to designate your preference for infant formula, infant cereal, and other foods.

Dear Parent/Guardian:

This letter is intended for parents or guardians of children enrolled in a child care center. **Winn Kids Academy** offers healthy meals to all enrolled children as part of our participation in the U.S. Department of Agriculture's (USDA) Child and Adult Care Food Program (CACFP). The CACFP provides reimbursements for healthy meals and snacks served to children enrolled in child care. Please help us comply with the requirements of the CACFP by completing the attached Meal Benefit Income Eligibility Form. In addition, by filling out this form, we will be able to determine if your child(ren) qualifies for free or reduced price meals.

**1. Do I need to fill out a Meal Benefit Form for each of my children in day care?** You may complete and submit one CACFP Meal Benefit Income Eligibility Form for all children enrolled in child care in your household only if the children in child care are enrolled in the same center. We cannot approve a form that is not complete, so be sure to read the instructions carefully and fill out all required information. **Return the completed form to: Winn Kids Academy 25430 Aldine Westfield Road (281) 466-2384.**

**2. Who can get free meals without providing income information?** Children in households getting Supplemental Nutrition Assistance Program (SNAP) (formerly Food Stamps), Temporary Assistance for Needy Families (TANF), or Food Distribution Program on Indian Reservations (FDPIR) can get free meals. Foster children (reference question #8 for more information on foster children) and children enrolled in a Head Start Program (HSP), Early Head Start Program (EHSP), or Even Start Program (ESP) and have not entered kindergarten) are also eligible for free meals. Households with children enrolled in a HSP, EHSP or ESP can provide a certification letter from the program of the child's enrollment and do not need to complete the CACFP Meal Benefit Income Eligibility Form.

**3. Who can get reduced price meals?** Your children can get low cost meals if your household income is within the reduced price limits on the Income Chart, sent with this application. Children in households participating in WIC may be eligible for reduced price meals.

**4. May I fill out a form if someone in my household is not a U.S. citizen?** Yes. You or your children do not have to be U.S. citizens to qualify for meal benefits offered at the child care center.

**5. Who should I include as members of my household?** You must include everyone in your household (such as grandparents, other relatives, or friends who live with you) who shares income and expenses. You must include yourself and all children who live with you. You also may include foster children who live with you.

**6. How do I report income information and changes in employment status?** The income you report must be the total gross income listed by source for each household member received last month. If last month's income does not accurately reflect your circumstances, you may provide a projection of your monthly income. If no significant change has occurred, you may use last month's income as a basis to make this projection. If your household's income is equal to or less than the amounts indicated for your household's size on the attached Income Chart, the center will receive a higher level of reimbursement. Once properly approved for free or reduced price benefits, whether through income or by providing a current SNAP, TANF, FDPIR case number, you will remain eligible for those benefits for 12 months. You should notify us, however, if you or someone in your household becomes unemployed and the loss of income causes your household income to be within the eligibility standards.

**7. What if my income is not always the same?** List the amount that you normally get. For example, if you normally get \$1000 each month, but you missed some work last month and only got \$900, put down that you get \$1000 per month. If you normally get overtime, include it, but not if you only get it sometimes.

**8. What if I have foster children?** Foster children that are under the legal responsibility of a foster care agency or court are eligible for free meals. Any foster child in the household is eligible for free meals regardless of income. Households may include foster children on the Meal Benefit Form, but are not required to include payments received for the foster child as income. Households wishing to apply for such benefits for foster children can provide the Texas Department of Family and Protective Services Form 2085FC, *Placement Authorization Foster Care/Residential Care*, to their child's caregiver and do not need to complete the CACFP Meal Benefit Income Eligibility Form.

**9. We are in the military, do we include our housing and supplemental allowances as income?** If your housing is part of the Military Housing Privatization Initiative and you receive the Family Subsistence Supplemental Allowance, do not include these allowances as income. Also, in regard to deployed service members, only that portion of a deployed service member's income made available by them or on their behalf to the household will be counted as income to the household. Combat Pay, including Deployment Extension Incentive Pay (DEIP) is also excluded and will not be counted as income to the household. All other allowances must be included in your gross income.

**10. (Pricing program only) Will the information I give be verified?** Maybe. We may ask you to send written proof to verify the information you submitted on the form. **What if I disagree with the decision about the information I complete on this form?** You can talk to [Not Applicable], either in person or by telephone at [Not Applicable]. You may ask for a hearing by calling or writing to: [Not Applicable].

In the operation of child feeding programs, no person will be discriminated against because of race, color, national origin, sex, age or disability. If you have other questions or need help, call **(832) 309-2544**.

Sincerely,  
Committed to Healthy Meals
